

Mobile Sterile Processing Department

Eliminate Phasing • Reduce Cost • Minimize Construction Time

From Reservation to Decommission, a team of dedicated STERIS professionals works directly with you. Experience unmatched Customer service, combined with our innovative productivity solutions.

Exploratory & Reservation (4-6 Months)

- Facility hosts site visit to determine capacity needs, validate space, determine utility requirements and share planning documents
- Customer executes a rental agreement and STERIS reserves a Mobile SPD

1

2

Commission (2 weeks)

- Mobile Solutions team delivers and deploys the unit
- Testing and verification conducted
- Customer transitions operations to the Mobile SPD

3

Operation (Length of Deployment)

(Length of Deployment)

- STERIS hosts status update and service meetings as required
- Use your own, or STERIS can provide SPD staff to operate the unit

4

Decommission (1 week)

(1 week)

- Customer transitions back into main facility
- Mobile SPD is decommissioned and removed
- Final meeting is conducted to close out project and obtain feedback

Mobile Solutions meets or exceeds compliance standards from:

- OSHPD
- JCAHO
- FGI
- AAMI
- ASHRAE 170
- CSA
- DOD
